

THURSDAY, JUNE 10 IN YOUR HOME! COMMUNITY BABY SHOWER

Are you expecting a baby?

You are invited to a party in your honor. You will receive important information in the mail about pregnancy nutrition and how to support your baby's brain development. Then we'll send you a link to Zoom and we'll talk about what you received in the mail. After participating in this shower and completing a survey, you will have gifts delivered to your door. (backpack, thermometer, diapers, wipes and more)."

In Partnership with:
