

Setting the Stage for Collaboration

- Jointly plan session together
- Discuss current priorities for family
- Gather updates on child, family and services
- Follow up on previous requests
- Share information and resources

Supporting Practice in Everyday Activities

- Observe caregiver and child interaction
- Share strengths-based feedback
- Brainstorm ideas for support in everyday routines

Reflect, Problem Solve and Plan

- Reflect on what's working, what's difficult, what's next
- Jointly plan next steps
- Encourage caregiver's decision-making
- Identify further information and resources
